COURSE OVERVIEW

Certificate III in Early Childhood Education and Care

Our 'hands-on' training will prepare you to care for babies, toddlers and preschoolers in a variety of settings. You will learn how to create play environments that are both creative and educational as well as using the Early Years Education Framework to guide the development of learning activities for children.

The up-to-date knowledge of our experienced teachers along with a practical approach to learning will allow you to graduate job-ready and become a creative early childhood educator.

This course includes a **Work Placement** of 135 hours (20 hours/week) to be completed in an approved early childhood learning centre. 4Life College can assist you in finding a work placement employer.
