\*Please note study periods are generally 10 weeks.

### Important Information

#### Enrolment Expectations

- The College recommends early enrolment to ensure students have plenty of time to arrange a student visa.
- All new students are required to attend the compulsory scheduled Induction Day at the start of a term. Attendance to Induction Day is included in the calculation of your course attendance.
- The College will attempt to keep the original timetable for any given term the same throughout that term. However, in some circumstances, 4Life may need to change the timetable and in this case reserves the right to change or modify a student's original timetable if required. Students will need to accept these changes.
- The College expects students to make study a high priority therefore students must not let their employment interfere with studies. 4Life will not be held responsible for any employment related matters arising from students' study timetable or changes in study timetable that may need to be made.

#### Medical Conditions

- Please disclose any medical conditions to your Trainer before commencing studies. You will need clearance from your doctor before you can commence studies.

#### Attendance & Course Progress

- Attendance and Course Progress are Student Visa conditions. Please maintain attendance to a minimum of 80% of your classes and attempt all assessments.

#### Student Fees

- Fees are due 5 weeks before the commencement of the following term. Late payment fees apply if fees are not paid by the due date. Please see a Student Advisor in ADVANCE of the payment date should you require advice about making your payment.

#### Criminal Record Check (CRC)

- Prior to commencing work placement, students will be required to undertake a Criminal Record Check (CRC) to obtain a FULL National Police Certificate. See [www.nationalcrimecheck.com.au](http://www.nationalcrimecheck.com.au). Students need to apply at least 6 weeks prior to undertaking a work placement. The costs for a CRC are the responsibility of the student and not included in course fees.

#### IT Requirements

- All our courses require students to bring in a laptop or tablet device to theory classes (it will not be supplied).
- Courses require learners to have the ability to access a reliable internet connection to access our student portal. You will need Microsoft Office or similar and be able to use basic Word and Excel programs. Our on-line portal can be accessed through computer and mobile devices.

#### Fitness

- Work in this industry can be physically demanding. Learners need to be reasonably physically fit in order to work with children and adults.
