

Change of Agency Request Form

Please note that if you have appointed an agency at any time throughout your enrolment into any course with the Australian Learning Group (ALG), ALG has assigned that agency to your Confirmation of Enrolment (CoE).

Should you wish to change your agency throughout your enrolment, ALG will need to cancel the CoE which linked you to the previous agency.

In order to formalise your decision to link a new agency to your CoE, you will need to re-apply to ALG for the course you are currently studying.

A re-application fee of \$195 may apply.

Please give sufficient reason below for the reasons of changing agencies throughout your enrolment.

Name of Student: _____

Name of previous appointed agency: _____

Name of newly appointed agency: _____

Date: ____ / ____ / ____

Signature of student: _____

Please note that the Australian Learning Group has a set of approved agencies to work with and may choose not to accept an agency currently not contracted with the Australian Learning Group.
