

Certificate III in Individual Support and IV in Ageing Support - Trainers and Assessors Contract role

About us

4Life College is a Registered Training Organisation that has been providing quality Vocational Education Training (VET) courses to both international and domestic students for more than a decade. We are committed to high class learning experience to students from all over the world.

Are you our next inspiring Trainer and Assessor?

4Life is currently seeking passionate and highly motivated Aged Care Trainers to join our Sydney team and assist in the development of future aged care employees. The Trainer and Assessor will deliver the Certificate III and IV qualification. Training is classroom based incorporating workplace activities. The trainer will also mark the assessments and provide feedback to students while support them to progress in their studies. Successful applicants will also be required to visit the students workplace whilst students are on work placement.

The Role

Due to the growing demands for our courses, we are seeking contract teachers. For the right applicant, this role could become a fulltime position incorporating Course Coordination. The role requires you to:

- Deliver Certificate IV in Aging Support and Certificate III in Individual Support (Ageing)
- Provide support and feedback to ensure successful completion of programs
- Monitor, mark and conduct student assessments
- Plan, review and improve training and assessment
- Participate in assessment validation, moderation and continuous improvement
- Conduct workplace visits whilst the students are on placement

Is this you? Our Trainers and Assessors must have the following key selection criteria:

- A strong passion for the aged care sector
- Keen interest in teaching others about the Community Services and Health Industries
- Experience as an enrolled nurse (APHRA) is required
- Experience in training or Lecturing is desirable but not essential
- Confidence and motivation to deliver first class face to face and online education
- Sensitivity and ability to adapt teaching styles to students of different cultural backgrounds
- Excellent oral and written communication skills
- Exceptional time management and multi-tasking abilities
- A high level of attention to quality and detail
- Commitment, flexibility, initiative and the ability to work as part of a growing team
- Continuing professional development requirements of the professional body to which they belong

- A relevant qualification at the Diploma or degree level.
- Minimum of 4 years industrial/professional experience.
- Certificate IV in Training and Assessment (TAE40110), or be willing to gain one. Older versions are not acceptable.
- Current Police Check
- Language Literacy and Numeracy level which is appropriate to teach others

To be considered for the Course Coordinator position, you will also need:

- A track record in course design and content creation
- A sound understanding of relevant training packages and how to unpack these
- The ability to balance student needs and business needs
- Creativity
