TIMETABLE AND DELIVERY INFORMATION

We deliver our courses over 4 x 10-week terms per year. Each course has 20 scheduled hours of training and assessment per week, comprising 14 hours of timetabled face-to-face classes and 6 hours of online structured self-study activities. The hours of online structured self-study activities may vary when students are attending work placement. Completion of the structured self-study activities is an important and mandatory component of the course.

We currently offer 3 timetable options (noting not all timetable options are available for all courses in all campuses):

- Monday & Tuesday – Day Classes *(Morning and Afternoon sessions, 7 hours/day, excluding break)*
- Wednesday & Thursday – Day Classes *(Morning and Afternoon sessions, 7 hours/day, excluding break)*
- Monday to Thursday – Evening Classes *(Evening sessions, 3.5 hours/day)*

Students can express a preference for a timetable option from those available for their course at their campus at the time of enrolment. Allocation to a timetable option is subject to availability and may change from term to term throughout the course. To reduce the number of students moving around the campus at the start and end of class and during breaks, we have introduced staggered class start times. Students will be informed of the times for their class prior to the start of the term.
