WORK PLACEMENT PARTNERSHIPS

Student work placements are a vital step in the training students undertake with 4Life College.

Work placement is the opportunity for students to refine the skills they have learnt within our simulated classroom training.

The college works with various facilities and institutes to provide students with real life experience and ensure they are job-ready when they complete their course.

The student is currently required to undergo the following hours of training in the workplace:

Course	Work Placement Hours*
CHC30113	150 hours
CHC50113	450 hours

*Changes to training package requirements or course structure could affect the required work placement hours in the future.
