

CREDIT TRANSFER FORM – PREVIOUS STUDIES

Introduction

ALG will recognise credit transfer for students that hold an equal unit of competency part of the Australian Qualifications Framework (AQF). Even if the training package title is different from the one where the unit of competency was completed, the student is eligible for a credit transfer.

For units of competency that are superseded, education obtained overseas or informal learning (including work-based competency), the student should apply for a Recognition of Prior Learning (RPL), using the Recognition of Prior Learning (RPL) Candidate Application Form.

Candidates may be awarded Credit Transfer (CT) for individual units of competency or complete modules. Candidates must be aware that some modules are delivered holistically, and as such, CT of partial modules may not always be possible.

In the situation where a student obtains partial course credit for a module, they may be still required to complete the entire module to still be trained and assessed in the modules they have not been recognised for i.e. ALG is unable to extract or modify a module to cater for Units of Competency the student may only require.

Fee

There is no application fee for Credit Transfer.

Note that credit transfer may only result in a reduction of tuition fees for cases where students have course credit granted for a whole term of study, on the condition that the Course Credit Application was submitted with a minimum of 10 working days prior to the commencement of the term that the student applied for course credit.

If course credit for a whole term is granted, the student is not required to pay tuition fees for the term/s in which course credit has been granted to the whole term.

If the Course Credit Application was submitted within ten working days of term commencement or once the term commenced, the student will not be required to attend classes; however, the student will NOT be eligible for the fee reduction.

Right to Appeal

As with all assessment decisions, students have the right to appeal the assessment decision. The process for appeal is documented in the Student Handbook.

Supporting Evidence

The student must provide a certified copy of the studied qualification testamur and academic transcripts or a USI statement.
