Mental Health Trainer & Assessors Wanted Opportunities in Sydney and Melbourne

Are you our next inspiring Trainer and Assessor?

ALG is currently seeking passionate and highly motivated Mental Health Trainers to join our team and assist in the development of future Mental Health educators. The Trainer and Assessor will deliver the Diploma qualifications. Training is classroom based incorporating the use of a simulation lab to develop the students' knowledge to maintain a therapeutic alliance with clients displaying mental health issues. The trainer will also mark the assessments and provide feedback to students while support them to progress in their studies. Successful applicants will also be required to visit agencies in the Mental Health sector whilst students are on work placement.

The Role

- Deliver the Diploma of Mental Health and Diploma of Community Services in the classroom and simulation labs
- Provide support and feedback to ensure successful completion of programs
- Monitor, mark and conduct student assessments
- Plan, review and improve training and assessment
- Participate in assessment validation, moderation and continuous improvement
- Conduct workplace visits whilst the students are on placement

Is this you? Our Trainers and Assessors must have the following key selection criteria:

- A strong passion for the Mental Health Industry
- Keen interest in teaching others about the Mental Health Industry
- Experience in teaching or Lecturing is desirable but not essential
- Confidence and motivation to deliver first class face to face education

- Sensitivity and ability to adapt teaching styles to students of different cultural backgrounds
- Excellent oral and written communication skills
- Exceptional time management and multi-tasking abilities
- A high level of attention to quality and detail
- Commitment, flexibility, initiative and the ability to work as part of a growing team
- Continuing professional development requirements of the Australian Association of Social Workers to which they belong
- A relevant vocational qualification (Mental Health or Health Science) at the Diploma or degree level.
- Minimum of 4 years relevant industrial/professional experience.
- Certificate IV in Training and Assessment (TAE40116)
- Current Police Check
- Language Literacy and Numeracy level which is appropriate to teach others
