

## Student Experience

We've expanded our Student Experience team across all campuses and offshore locations to provide more personalized support, faster responses, and a wider range of services to enhance your academic journey.

## Work Placement

We've streamlined processes to ensure timely communication about end-of-term work placement support sessions, providing students with the resources and guidance needed to complete their logbook requirements.

## Learning Development

Continue to condense and improve assessment instructions, so they are clearer to understand and complete.

Increased activities in learning resources, allowing students to practice and reinforce what they are learning.

## Student Engagement

We've expanded our student events, including Wonka Week, Wefie, and Welcome to Autumn, to foster community, encourage collaboration, and enhance networking, leadership, and personal growth in an inclusive and dynamic environment.

Don't forget we have our student counselling program. Contact AccessEAP on 1800 959 192 and [appointments@accesseap.com.au](mailto:appointments@accesseap.com.au)

## Aged Care

We're enhancing curriculum delivery with a stronger focus on practical learning, engaging simulations, role-play activities, and industry expert guest speakers to connect students with future employers.

## Early Childhood

We have carefully listened to feedback from students in evening classes and have arranged for a guest speaker to provide valuable insights and deeper understanding of the industry.

## Fitness

We have struck a productive balance between gym and theory time, ensuring your time is best spent in each respective setting and you get the most out of your course.

## Mental Health, Counselling, Community Services

Based on your feedback, we've enhanced our curriculum to focus more on practical learning through simulations, role-playing, and real-life case studies, bridging the gap between theory and real-world skills.

## Yoga

We are focusing practical sessions on Yoga and including excursions to Yoga studios to enhance your understanding of the industry.
